Acc. to EU-guideline 89/656/EWG the product itself is personal protection equipment (PE).

## 9. PHYSICAL AND CHEMICAL PROPERTIES

<b>Form:</b>	hydrogel
<b>Colour:</b>	brown
<b>Odour:</b>	unperfumed
<b>pH-value:</b>	at 10 g/l H <sub>2</sub> O (20 °C) abt. 4,5
<b>Change in physical state:</b>	not applicable
<b>Ignition temperature:</b>	not determined
<b>Flash point:</b>	not determined
<b>Explosion limits:</b>	not determined
<b>Density:</b>	( 20 °C ) abt. 1,0 ± 0,01g/cm <sup>3</sup>
<b>Vapour pressure:</b>	( 20 °C ) abt. 25 mbar
<b>Viscosity:</b>	( 20 °C ) abt. 2000 mPa s
<b>Solubility in water:</b>	( 20 °C ) completely

## 10. STABILITY AND REACTIVITY

<b>Stability:</b>	The product is also stable at extreme working conditions.
<b>Reactivity:</b>	No chemical reactions with working media or working substances are to be expected.

## 11. INFORMATION ON TOXICITY

All ingredients are raw materials defined for the production of cosmetics and subject to an appropriate quality control. When used - as intended - as skin protection preparation no toxic or allergic reactions are to be expected.

## 12. INFORMATION ON ECOLOGY

<b>Biological Degradability:</b>	acc. to OECD testing <u>very good</u> (abt. 90 %) 10 % inorganic salt remains inert
<b>Water danger class:</b>	Water danger class 1 (self-classification)

## 13. DISPOSAL

<b>Product:</b>	Waste key: 070 699; pr99 can be burnt together with domestic garbage with local regulations.
<b>Packaging:</b>	PE; Disposal according to governmental regulations. If not officially regulated, packagings can be treated like domestic garbage or be lead into a recycling system.

## 14. INFORMATION ON TRANSPORT

No dangerous goods according to transport regulations

## 15. REGULATIONS

The product is subject to the Cosmetics Directive

<b>Symbols:</b>	none
<b>R-phrases:</b>	none
<b>S-phrases:</b>	none

## 16. OTHER INFORMATION

This information is based on our knowledge data at this time and refers to the product in condition of delivery. It describes our product in regard to safety requirements and therefore does not represent a guarantee of particular qualities.
